Speak with the Events Manager for details on any of the four venues for a special ceremony, rehearsal dinner, cocktail hour, and reception.

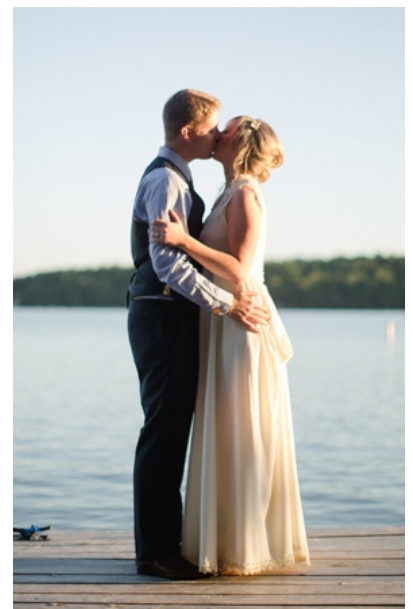

Our lush, green, 1.5 acre lawn is available for private events and ideal for a ceremony and/or reception. We make it our mission to tailor this spacious yet secluded area to fit your wedding dreams.

Join us multiple seasons of the year, as our lawn transforms from colorful flowers and greenery in the summer, to the bright red maple trees glowing in the fall. Both seasons are perfect for beautiful photos, family picnics, campfires, or fun yard games.

Indulge in the sunshine and breathtaking lake views at our Tiki Lounge, the closest location to the water in all of Elkhart Lake. Located below our Tiki Bar, this space can accommodate up to 150 guests for cocktail hour or a standing ceremony, and will seat 110 guests for a reception dinner. Our awning will provide cover from sun or potential showers for up to 50 of your guests.

'The Theatre,' dating back to the early 1900's, is a unique treasure to showcase your event. Our venue has been recently renovated and can seat up to 240 guests comfortably.

This venue is equipped with a raised stage (ideal for a live band or DJ), a 22 by 24 foot wooden dance floor, and a 30 foot full bar. Sound equipment is also available for use. An enclosed, second-story porch overlooks Elkhart Lake, perfect for a moment of relaxation.

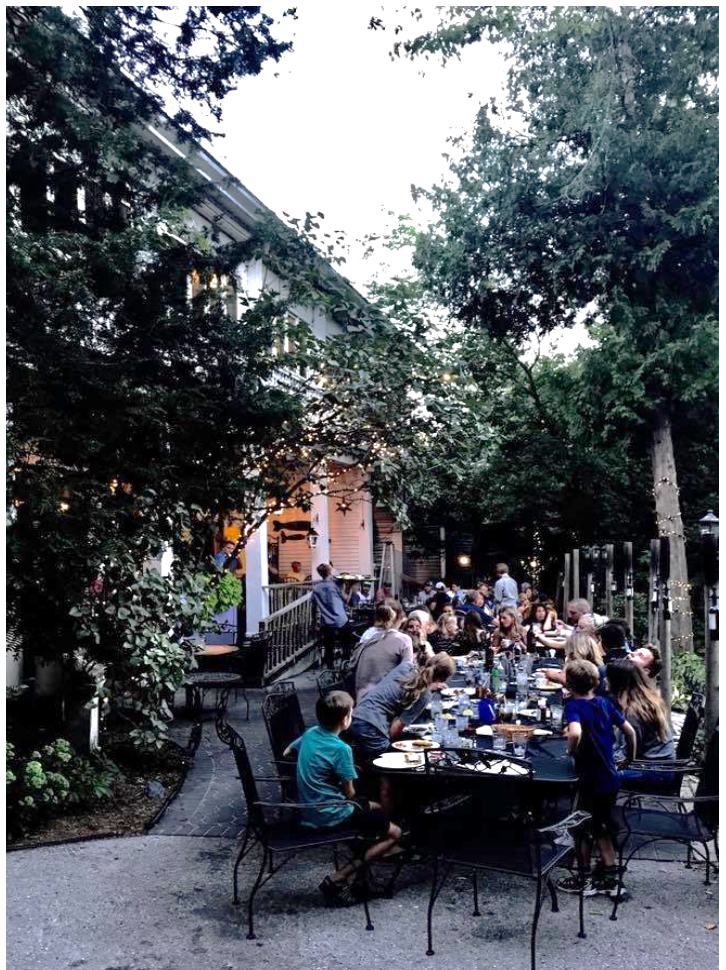

Cottonwood Social

The Cottonwood Social is the closest restaurant to the lake and offers stunning views through the cottonwood trees. This venue can accommodate up to 120 guests for dinner and cocktails. Enjoy the porch in the summer or warm yourself by the fireplace in the winter months.

Events booked at Cottonwood Social are at the discretion of the Event Manager and vary greatly depending on the time of year. (Example: Off-season bookings are much more available than in-season bookings however, semi-private or partial day rentals are often presented as an option.) Discuss available times with your Event Manager.

### **Ceremony Options:**

To have your ceremony at any venue, includes set up, reservation of space, and security.

A popular option is to have your ceremony in one location and your reception to follow in another venue.

- *(Example: Ceremony in the Tiki Lounge & reception in the Theater)*

If a ceremony occurs in a different venue than the reception, the Host pays both venue rental fees and follows the minimum sales of the main venue. The host also pays the standard ceremony fee.

**“Minimum Sales”** is defined as total sales of the following:

- Venue rental
- Food (Including appetizers, dinner, etc.)
- Beverages (Including personal and guests’ bar sales)
- Ceremony Fee (If applicable)
- Any additional services (Listed below)

Minimum Sales does not include gratuity (20%) and taxes (5.5%).

### **Included with Venue Booking:**

- Plates, silverware & glassware
- Microphone & amp
- Full bar set up
- All necessary bar, service, security & maintenance

**Additional Services:** (These will all be counted towards Minimum Sales.)

- \_\_\_ Cake Cutting
- \_\_\_ Linens & Napkins (a la cart prices)
